

CREATE YOUR OWN HISTORICAL ARTEFACT

A time traveler from the future has come to visit the year 2024! They want to learn about different celebrations from around the world.

What are some celebrations you like to participate in? Birthday's, traditions, holidays?

Create an artefact from a celebration that you enjoy to share with the time traveler so they can learn about different types of celebrations.

1. Which celebrations do you or your family participate in (birthday, religious holidays, traditions etc)?
2. What is one artefact(s) that represents this celebration (birthday cake, tree, star, candle)?
3. What materials would you need to make this artifact?
 - a. (paper, glue, cardboard, makers, scissors)
4. What does this artefact teach the time traveler about the celebration?

Use materials from around the classroom, or your home, to create an artefact for the time traveler.
